## Travel Information

We recommend that you fly into Lyon-Saint Exupéry Airport. From U.S., Canada, and some other countries you can fly into any major European hub and from there get a connecting flight to Lyon. From Lyon-Saint Exupéry Airport take the tram/train called the Rhone Express (a red train) to Lyon-Part-Dieu train station. Follow the many signs for the Rhone Express in the airport. Red Kiosques to buy tickets are before you exit airport. We are emphasizing Lyon-Part-Dieu train station (Gare in French) because there are several train stations in Lyon and you have to come to Gare de Lyon-Part-Dieu in order to take the train to Le Puy. The same applies for St Etienne-Chateaucieux train station. The city of St Etienne has four train stations and the correct one for you, should you need to transfer trains, is St Etienne-Chateaucieux. You will not change stations in St Etienne, only trains if you do not have a direct train to Le Puy from Paris or Lyon-Part-Dieu.

## Deepening Our Global Hearts

Begins Sunday, June 4, 6:00 p.m. till after breakfast Wednesday, June 14

This program invites participants to deepen their grasp and understanding of the charism and spirituality of Sisters of St Joseph at a time of great conflicts and questioning of institutional structures in business, governments, church and society.

We are in a time of great evolution and change demanding an openness and commitment to informing and forming ourselves to do the work that needs doing in God's world in the 21<sup>st</sup> century. Our hope is that each participant will become more aware and engaged in learning the developments in science and theology that will help us grasp the profound meaning and challenges before us, as Sisters of St Joseph of the world. Bringing SSJs from the many countries in which our Sisters serve, speaks of the 'stretching and enlarging and deepening' of our hearts, to be for 'ALL' of God's creatures and creation.

**"Having a global heart is not an option for Sisters of St Joseph.  
It is who we are."** (Carol Zinn, SSJ Philadelphia)

We will be searching, pondering, questioning and sharing what it means to have a 'global heart' in the 21<sup>st</sup> century. Trinitarian life offers us a model for being in relationship with and in God, the dear neighbor and ourselves. WE begin the program dwelling in the heart of the Trinity and focusing on our spirituality that calls us to live in relationship with ALL.....not something to learn, for we are already 'in God's heart, but certainly to deepen.' We want to feed the 'desire' to live our lives within the heart of God. Living with a 'global heart' is the our way into deepening Trinitarian life.

Another element of the program: Participants will prepare beforehand an 'image' (icon) of the 'foundress' of her Congregation/province/ region. Each participant is expected to present a 10-15 minute exposure of the foundress. These icons will create a panorama of 'Joseph women' who have seeded the family story!

There will be time for sharing stories, songs, and dances of one's culture during evening gatherings. There will be opportunities for personal and group prayer, liturgy, journaling, pilgrimages to our founding spaces, and bio-dancing which will help us give expression to our experiences.

The ten days will pass very quickly! **Come join in the 'dance of the Trinity' as Sisters of St Joseph!**
